## **SPYKILLS 6 cont...**

It turns out a proximity, nuclear fusionbomb utterly destroyed the old HQ, and you know the internal connections and the medio is all hyped now.

Vircingetoris thinks, 'Damn Pussycat, I gat a wildcat on our tails. Wants some action?'

There is no response to his broadcast.

There is only the rapid acceleration of the media to an internal nuclear attack.

The post-explosioncrew camot understand, The, does not recognize, the bombmodel.

Some evilgenius for a better tomorrow, some madwand, some wizkid, genius just Radd<sup>✓</sup>ed a sector in AC, with a home-madebomb!'
